### Subpart D—Licenses

#### § 478.41 General.

(a) Each person intending to engage in business as an importer or manufacturer of firearms or ammunition, or a dealer in firearms shall, before commencing such business, obtain the license required by this subpart for the business to be operated. Each person who desires to obtain a license as a collector of curios or relics may obtain such a license under the provisions of this subpart.

(b) Each person intending to engage in business as a firearms or ammunition importer or manufacturer, or dealer in firearms shall file an application, with the required fee (see § 478.42), with ATF in accordance with the instructions on the form (see § 478.44), and, pursuant to § 478.47, receive the license required for such business from the Chief, National Licensing Center. Except as provided in § 478.50, a license must be obtained for each business and each place at which the applicant is to do business. A license as an importer or manufacturer of firearms or ammunition, or a dealer in firearms shall, subject to the provisions of the Act and other applicable provisions of law, entitle the licensee to transport, ship, and receive firearms and ammunition covered by such license in interstate or foreign commerce and to engage in the business specified by the license, at the location described on the license, and for the period stated on the license. However, it shall not be necessary for a licensed importer or a licensed manufacturer to also obtain a dealer's license in order to engage in business on the licensed premises as a dealer in the same type of firearms authorized by the license to be imported or manufactured. Payment of the license fee as an importer or manufacturer of destructive devices, ammunition for destructive devices or armor piercing ammunition

or as a dealer in destructive devices includes the privilege of importing or manufacturing firearms other than destructive devices and ammunition for other than destructive devices or ammunition other than armor piercing ammunition, or dealing in firearms other than destructive devices, as the case may be, by such a licensee at the licensed premises.

(c) Each person seeking the privileges of a collector licensed under this part shall file an application, with the required fee (see § 478.42), with ATF in accordance with the instructions on the form (see § 478.44), and pursuant to § 478.47, receive from the Chief, National Licensing Center, the license covering the collection of curios and relics. A separate license may be obtained for each collection premises, and such license shall, subject to the provisions of the Act and other applicable provisions of law, entitle the licensee to transport, ship, receive, and acquire curios and relics in interstate or foreign commerce, and to make disposition of curios and relics in interstate or foreign commerce, to any other person licensed under the provisions of this part, for the period stated on the license.

(d) The collector license provided by this part shall apply only to transactions related to a collector's activity in acquiring, holding or disposing of curios and relics. A collector's license does not authorize the collector to engage in a business required to be licensed under the Act or this part. Therefore, if the acquisitions and dispositions of curios and relics by a collector bring the collector within the definition of a manufacturer, importer, or dealer under this part, he shall qualify as such. (See also § 478.93 of this part.)
